PRESIDENT'S CORNER

By Greg Kipp

Looks like spring is just around the corner - finally! That means the children will be out and about more, so be sure to pay attention to the school crossings and watch for bikes! And of course, watch your speed!

This will be my last letter to the residents of the Village. I have decided not to run for another term after serving 8 years as a Village Trustee first, then as President Pro-tem, and finally President. When I retired, I decided that I wanted to give back to my Community and serving on the Village Board felt like the right way. It has been an honor and a privilege to serve this community. I have always encouraged our village residents to come to our Board Meetings to voice their opinions and ask questions.

A community is only as good as it's leaders and the voices that help shape it. I hope you will continue to ask questions, get involved and support not only your Village Board, but the community it supports.

Greg

NOTICE OF BOARD OF REVIEW

Notice is hereby given that the board of review for the Village of Elk Mound, Dunn County, Wisconsin shall hold its first meeting on May 10, 2023 from 10:00 a.m. to 12:00 p.m. in the Municipal Building, E206 Menomonie Street, Elk Mound, Wisconsin. Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. *No person shall be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of such property being assessed.
2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information, to a member of the Board about the person's objection except at a session of the board. Open book shall occur no less than 7 days prior to the board of review.
3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances of failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.
4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.
5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

WARNING SIREN

When severe weather occurs, you will hear a steady tone for three minutes. Upon early warning, volunteers will attempt to set the Warning Siren to a STEADY TONE. This warning is to inform you to seek information from TV or RADIO. For residents that do not have adequate shelter, the Lutheran Church, 207 University Street, has offered the use of the church basement. Every effort will be made to get the rear (south) doors opened on alarm. **YOU SHOULD MAKE ALTERNATE PLANS IN THE EVENT THE CHURCH IS NOT OPEN!!**

Having a plan in place will minimize confusion when time is of the essence. Preplanning to bring flashlights, possibly a blanket, as well as making other arrangements for pets will make for quick access to shelter. (Please do not bring pets to the Church).

This plan will be in effect immediately and until further notice.

“Weather Alert” radios are available for purchase at local electronics or major department stores. These units can be used in addition to the local warning siren for early severe storm alerts.

According to Dunn County Emergency Management, the siren is intended to alert people outdoors that severe weather conditions are nearby. The sounding of these sirens is your cue to access local detailed weather information from radio or television and discover if there is an need to take further action. More information can be found on their site: www.dunn.wi.co.us, click on Departments, Emergency Management & Outdoor Warning Sirens.

Dunn County Communications Center is responsible for testing the emergency siren system. The Emergency Warning Siren is tested the first Monday of each month at 10:00 a.m. Standard emergency warning siren electro-mechanical tones are as follows:

- ALERT— Steady Tone, 3 minutes
- ATTACK—Wailing Tone, 6 sec. Hi/6 sec. Low, 3 min
- FIRE— Wailing Tone, 16 sec. Hi/8 Sec. Low, 4 Cycles
- GROWL— Short Burst, 2 Sec. Used for testing of siren only.

Stats., that the assessor requests. The Village of Elk Mound has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their office or by order of a court.* The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s.19.35(1), Wis. Stats.
7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. Stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.
